

The Board School™

America's first board of directors school for owners, directors and managers of family and closely held businesses

Family business consultant **Cary Tutelman** and family business attorney **Larry Hause** developed The Board School to respond to the myriad of governance and management issues confronting today's family businesses. They base their approach on wisdom gleaned from more than 30 years of helping family businesses prosper. Together, they are revolutionizing the way family businesses view boards of directors.
